

STAINLESS STEEL PRODUCTS AND PACKAGING

PRODUCTS

STAINLESS STEEL AND NICKEL ALLOY WIRES:
302, 304, 305, 316, 316L, 321, 410, 430, 17-7H,
Armco Nitronic grades and Nickel Alloys.

In addition, we will produce on special order:
303, 314, 317, 330 and 347, as well as Monel,
Inconel, Incoloy, MP35N and special
machining grades.

All of the above are available in sizes from
.005" up to and including .500" (1/2").

We specialize in stainless steel wire for
applications which include cold heading,
springs, wire rope and cable, and weaving wire.

PACKAGING

On spools, in coils, on carriers, or straightened
and cut to specific lengths.
